Subject: PSD Summary of EA Powers

Attachments: Federal Emergencies Act and Powers - Summary - (02-18-22).docx

Good day,

Please find attached the summary from Police Services of the Emergencies Act.

Reminder, the Emergencies Act powers will likely be used very sparsely, and most authorities will come from existing legislation. If you require any services to be compelled, pass it through SILVER for approval.

Thanks

Jim

Subject: PSD Summary of EA Powers

Good afternoon,

Please find attached a summary document that PSD has put together based on the federal orders and their discussions with federal government.
